Your Safety Is Our Top Priority

Nothing is more important than the health & safety of our staff & patients. With this in mind, we are taking additional steps to make every visit to our office as safe as possible. These actions are incremental to our normal standards of care that meet or exceed all CDC, OSHA & ADA guidelines for dental practices.

Our goal is to add peace-of-mind to the friendliness & clinical excellence you have come to expect. We welcome the opportunity to answer any of your questions & to address all concerns.

Healthy Gums Improve Your Overall Health

Research has linked gum disease to health problems like diabetes, heart disease, dementia & respiratory infection. Regular dental cleanings can help you stay healthy & increase your lifespan. Call today for your dental cleaning.
